# CAN'T-MISS EXPERIENCES

Summer

## 1 > Goûtez Lanaudière! agritourism circuits

In this part of the world, our passion for food is passed on from generation to generation. One of the very first agricultural regions of Quebec, Lanaudière continues to profit from the rich bounty of its soil by offering visitors the opportunity to enjoy unique agritourism circuits. Country-style meals, farm visits, a stop at the **Abbaye Val Notre-Dame** store or at **Terre des Bisons**, food sampling at **La Courgerie** or at one of the many master cheesemakers in the area (everyone loves **cheddar** from the **Ferme Vallée Verte**)... Lanaudière has something to satisfy the foodie in us all. Our farmers and producers are passionate and take pride in welcoming those who love game and fine deli meat (**Bergerie des Neiges**), as well as wine enthusiasts. The Lanaudière wine circuit comprises seven vineyards, including **Vignoble Lano d'Or** and **Vignoble Le Mernois**. Top off your gastronomic experience with local *foie gras* from **Maurel-Coulombe**... simply divine!  
[goutez.lanaudiere.ca](http://goutez.lanaudiere.ca)

## 2 > Outfitter getaways

Lanaudière has the highest concentration of outfitters within easy reach of Montreal. Outfitters were once limited to hunting and fishing but have now become a true playground for nature lovers of all kinds. Did you know Lanaudière offers the longest fishing season in Quebec because it has so many fish? Anglers come for trout, walleye and pike well into fall, revelling in the symphony of colours. More than twenty outfitters are available to wilderness enthusiasts, offering fine sandy beaches, canoeing, kayaking and hiking. In Saint-Zénon, **Au Pays de Réal Massé** has been an unmissable destination for nearly 30 years. The log cabins at **Pavillon Basilières** and the warm family atmosphere in the **Pourvoirie Trudeau** lodge are examples of how outfitters have reinvented their accommodation offering.  
[pourvoirielanaudiere.com](http://pourvoirielanaudiere.com)

## 3 > Hiking in the mountains and valleys

Put on your hiking boots and get ready to explore the vast Lanaudière region. Hundreds of kilometres of groomed trails and breathtaking scenery await you! Take a walk alongside a lake or river to admire the numerous waterfalls and

cascades, or hike in the mountains to discover lush green valleys as far as the eye can see. Numerous regional parks are accessible just one hour from Montreal, such as **Forêt Ouareau** and **Chutes Monte-à-Peine-et-des-Dalles**, with its three waterfalls and attractive bridges spanning the L'Assomption River. In Saint-Côme and Saint-Donat, **Mont-Tremblant National Park** offers a wealth of short and long hiking trails. With so many beautiful hiking spots, it's no wonder the musical group *La Bottine Souriante* comes from our neck of the woods!

[randonnee.lanaudiere.ca](http://randonnee.lanaudiere.ca)

#### 4 > Relaxing in nature

You don't need to go to Italy to enjoy *La Dolce Vita*! Lanaudière has long been pampering its visitors with quality rest and relaxation. Many spa hotels located in the mountains or on the shores of our majestic lakes offer a multitude of services and peaceful moments in a breathtaking setting. In Saint-Jean-de-Matha, enjoy soaking in the salt water indoor pool at **Auberge de la Montagne Coupée** or book a five-star massage at **Auberge du Lac Taureau** (Saint-Michel-des-Saints). Looking for the ultimate treatment? **Spa Natur'Eau** in the

heart of the mountains in Mandeville offers total regeneration of body and mind. Revitalize your senses as you alternate between hot and cold and periods of rest in a yurt. In Rawdon, you can relax in a cave or enjoy a truly sensorial experience in the dark room at **La Source Bains Nordiques**, a contemporary cliffside spa you are sure to love.

#### 5 > Culture and heritage

Measure your strength against that of the strongest man of all time at **Maison Louis-Cyr**; visit Québec's largest regional art museum (**Musée d'art de Joliette**); go for a bike ride on the **Chemin du Roy** (first motorable road in North America); or take a walking tour of the Île-des-Moulins historical site in Vieux-Terrebonne... all great ways to discover Lanaudière's rich architectural heritage and culture. Stop a while to take in a play and taste traditional Quebec cuisine at some of the best restaurants in our vibrant city centres. This festive region also puts on many must-see events, including **Mémoire et Racines**, a true celebration of traditional arts from Quebec, and the **Festival de Lanaudière**, an internationally-recognized classical music festival. Enjoy concerts under the stars!

# CAN'T-MISS EXPERIENCES

Winter

## 6 > Snowmobiling

With 2,300 km of trails, Lanaudière is justifiably known as Snowmobile Country. From mid-December to late March, snowmobilers can enjoy endless riding through breathtaking country. Unmissable destinations include the beautiful **Montagne Noire**, the picturesque **Centre Pourvoyeur Mastigouche** (a member of Quebec's relay stations), the **new bridge on Ouareau river in Forêt Ouareau** and the bypass trail around **Mont-Tremblant national Park**, which are well worth the detour. Our vast trail network offers riders the freedom to travel safely through stunning and remote backcountry terrain. Stop at a **relay station** along the way to warm up or enjoy a meal in a lodge, where innkeepers always enjoy hearing about your day's experiences.

[snowmobilecountry.ca](http://snowmobilecountry.ca)

## 7 > Snowshoeing

Whether in the heart of the Laurentian forest, on Lanaudière's agricultural plain or in our **regional parks** or **city parks**, snowshoeing enthusiasts can really stretch their legs. On short or long journeys in the **Forêt Ouareau** – including overnight stays in a hut and baggage transport – beautiful

scenery is everywhere. The **Chute-à-Bull Regional Park** (Saint-Côme) offers 30 km of snowshoe trails and even the opportunity to experience a night-time hike. In **Mont-Tremblant National Park** (via Saint-Donat), where trails are usually covered in an abundance of fresh snow, the more adventurous can put their snowshoes to the test in a picturesque forest setting. For more details about must-visit Lanaudière snowshoeing destinations, visit the new website dedicated to this sport: [raquette.lanaudiere.ca](http://raquette.lanaudiere.ca).

## 8 > Downhill skiing

Abounding with natural snow, the vast sector of the Laurentian mountain range is made for downhill skiing. Four ski resorts await winter sport enthusiasts in the **Matawanie mountains**, just minutes from Montreal. The renowned **Val Saint-Côme ski resort** offers a 300 m vertical drop and 37 trails and is home to some major sporting events, such as the Freestyle Ski World Cup. In Saint-Donat, try your hand at mogul or cat skiing at **Ski Mont La Réserve** in ideal snow conditions, or take the family next door to **Mont-Garceau** (Lanaudière's highest ski hill), where a stunning view of Ouareau and

Archambault lakes alone is worth a ride to the top. **Ski Montcalm** in Rawdon is the ultimate family destination with 24 trails spread across three hillsides. The resort is also offering snowshoeing and tubing.

## 9 > Skating

What's more romantic than skating hand in hand in the heart of nature? Teach your children to appreciate the joys of a family outing in an enchanting winter wonderland. Discover **Matawinie's** icy beauty with a skate on one of our numerous frozen rivers and lakes, such as **Lac Pierre** (Saint-Alphonse-Rodriguez) or **Lac Rawdon**, or explore the scenic skating trails in the forest of **Saint-Donat**. Lace up your skates and enjoy our 100% natural outdoor skating rinks. Start your journey farther south at **Île-des-Moulins** (Vieux-Terrebonne) and step into the past by skating on the frozen lock of the old flour, saw and carding mills. The **Patinoire de la Rivière L'Assomption** in Joliette is one of the longest skateways in all of Quebec – and the pride of the *Lanaudois* people. With a 4.5 km (9 km roundtrip) meandering ice trail, you can do almost anything – except go around in circles!

## 10 > Sliding

Looking for some thrills and fun? Come play in the snow at our outdoor recreation centres and ski resorts. Snow tubing in the heart of downtown Terrebonne is a must. Equipped with a handle tow and magic carpet, the **Groupe Plein Air Terrebonne** makes it even easier to have a ton of fun in the snow. At **Ski Mont La Réserve** (Saint-Donat) and **Ski Montcalm** (Rawdon), a wonderful time can be had by all on the tubing slopes. Saint-Jean-de-Matha is one of the best spots of all! Children and adults alike will love snow tubing and rafting at **Super Glissades Saint-Jean-de-Matha**. And while families have fun on the 30 runs lit at night, the more adventurous can tackle the rafting slopes – the fastest slides in Quebec with speeds of up to 100 km/hour.

# PORTRAIT OF THE REGION

Lanaudière, land of the great outdoors

Pourvoirie Trudeau

On the North Shore of the St. Lawrence River, just east of Montreal, Lanaudière offers a variety of landscapes where nature enthusiasts can revel in the beauty and fresh air of the great outdoors. Bound by the river to the south and the Laurentian mountain range to the north, Lanaudière is a land of diversified backdrops: agricultural plains, deep valleys, unspoiled islands, spectacular mountains, pristine lakes and rivers. With its bustling small towns, abundant

forests and charming countryside, Lanaudière allows you to get close to nature in a unique and special way.

"We come to enjoy the gentle sounds of Lanaudière's hundreds of waterfalls and cascades, and the music of its many festivals."

Whether you come to enjoy a festival or to taste delicious local food in one of our renowned restaurants; whether you're seeking a week-long stay at an outfitters or an overnight stop in a bed and breakfast or charming lodge, every occasion is a good one to indulge in Lanaudière's legendary hospitality. Looking for comfort? *Auberge du Lac Taureau*, located on the shores of the lake of the same name, offers a luxurious environment in a rustic setting. Want some privacy? Rent a cottage or enjoy a unique experience by staying in a yurt, teepee, cabin on stilts or eco bed and breakfast!

## From yesterday to today

A visit to Lanaudière is also an opportunity to discover its rich history. In this immense region, our ancestors left their mark as great builders. With historical areas like the Chemin du Roy and through the history of First Nations peoples and the fur trade's *Coueurs des Bois*, Lanaudière is a region that takes great pride in its past. While treasures of yesteryear are on full display in the old neighbourhoods of Terrebonne, Joliette and L'Assomption, new lifestyles are also thriving in these cities. Theatres, bistros and art museums attest to a rich cultural life.

## A four-season playground

There's so much to do in Lanaudière! A true paradise for hunting and fishing, the region has the highest concentration of outfitters close to Montreal. Each year, the fishing season lasts until mid-October when the fall colours are at their height. The harvest season is another opportunity to taste the region's delicious local produce on one of two **Goûtez Lanaudière** agritourism circuits that take you on a scenic ride through mountains and valleys. Come winter, snow sport enthusiasts can enjoy snowshoeing, cross country skiing, downhill skiing, snowmobiling and dogsledding. Others flock to the Christmas markets and festivals, including *Saint-Côme en glace*, the *Festi-glace* de la MRC de Joliette or *Feu et glace* (Repentigny). And when summer returns, so does the season of relaxation, leisure and cottage life, by the water or in the mountains. Make sure you reserve your place for one of the numerous music festivals, including *Festival de Lanaudière*, the most prestigious classical music event in Quebec.

## The Grande Côte

### Along the water trail, from Terrebonne to Berthierville

The Grande Côte territory runs alongside the St. Lawrence River offering visitors several kilometres of magnificent natural beauty. From the rushing **Mille-Îles River** to the peaceful **Berthier Islands** – in the **Lac Saint-Pierre** archipelago, officially designated a Biosphere Reserve by UNESCO – as well as the **L'Assomption River**, this unique and special place of captivating landscapes will delight those seeking adventure or simply quiet contemplation. With its rich architectural heritage, the region offers a fascinating window into Lanaudière's history. Here, all roads lead... not to Rome... but to the Chemin du Roy, the oldest navigable highway in Quebec.

Pourvoirie du Lac Saint-Pierre

### Once upon a time

Running alongside the St. Lawrence River, the first major road in the history of New France is dotted with reminders of the past. On foot or by bicycle, explore the fascinating **Chemin du Roy** and admire the countless mills, churches and ancestral homes along the way. One of the most popular tourist destinations is located on the banks of the Mille-Îles and Terrebonne rivers, just minutes from Montreal. **Vieux-Terrebonne**, with its historical buildings dating back to the 18<sup>th</sup> and 19<sup>th</sup> centuries, is a true

Maison Rosalie-Cadron

heritage treasure. In summer, it takes on a European feel with its numerous outdoor cafés and charming restaurants. A must-see experience, the **Îles-des-Moulins historical site** is the second largest restoration project in Quebec after Place Royale in Quebec City.

"Vieux-Terrebonne, a heritage treasure offering a real flavour of New France"

## The shores and islands of the St. Lawrence

There are various ways to explore this region: by car, motorcycle or bicycle along the **Route verte**, or in a sea kayak following the **Route bleue des voyageurs** (St. Lawrence water trail). Discover the scenic splendours of the **Verchères Islands (Saint-Sulpice)** and the **Berthier Islands** archipelago: 103 islands in an outstanding natural setting that is home to the largest heron nesting ground in North America. Enjoy birdwatching? Don't forget your binoculars! Every fall, thousands of migrating waterfowl stop in this area on their way south. In the labyrinth of channels and marshes, nearly 300 bird species frequent this protected wilderness area. With your bicycle you can cross by ferryboat from Île-Dupas to Saint-Barthélemy. You can also explore the many hiking trails or paddle a sea kayak between the islands on the clear waters of the St. Lawrence River or along the Route bleue des voyageurs between Terrebonne and Saint-Sulpice. Don't forget to pack a picnic with some fresh local food!

## Water and wine can go together!

In this watery setting, the vines and grapes of Lanaudière's wineries grow in all their natural glory. The Lanoraie area alone, on the banks of the St. Lawrence, has three renowned vineyards that make up the Lanaudière wine circuit: **Vignoble Aux Pieds des Noyers**, **Vignoble Mondor**, **Vignoble Lano d'Or** and **Vignoble Carone**, where Anthony and Sarah have been excelling in cabernet-severny and pinot noir grape varieties for 20 years. In this region, red wine has taken centre stage, in particular a compelling Bin 33 that's sure to impress.

## THE PLAIN

### On the road to culinary delights

Vast agricultural fields and verdant plains stretch along the lowlands of the St. Lawrence River Valley. Life here is less hectic and marked by a temperate climate and fertile soil that is made for farming. Despite the flatness of the land, the inhabitants of the plain find a variety of ways to reach great heights. Exploring the country roads brings many rewards to foodies on the lookout for an outstanding culinary experience. Try one of our numerous country-style restaurants – **Domaine des Trois Gourmands in Saint-Alexis** is a must! – where local produce steals the show. Stop in to taste our cheesemakers' finest cheeses or stock up on terrines and lamb sausages at the **Bergerie des Neiges (Saint-Ambroise-de-Kildare)**. Make the rounds of the farm stands and public markets, or pick your own raspberries and strawberries at the **Bleuetière Royale (Saint-Thomas)** or **à la Ferme Cormier (L'Assomption)**. "**Goûtez Lanaudière!**" offers endless ways to savour the region's delicious flavours.

"It's all about eating fresh!"

Marchés de Noël de Joliette

Festival Mémoire et Racines

Lanaudière is one of the richest agricultural regions of Quebec with more than 2,500 dedicated farmers and producers working the land. Whether you visit during the ploughing, planting or harvest season, you'll be surprised by the wide variety of produce available thanks to the legacy of knowledge, as well as the innovation, of the local farmers and producers.

**Jam-maker Simon Turcotte (Sainte-Marcelline-de-Kildare)** makes a delicious Chinese 5-spice strawberry jelly you won't want to miss. Twenty-five varieties of vegetables are also grown in this region, including the best asparagus in all of Quebec! Visit **Saint-Esprit** and **Saint-Alexis** to admire the loyalist architecture of the farm buildings linked together in block-houses, inspired by the seigneurial system. In the spring, drop by one of our numerous maple groves, where taffy, tasty syrups and a myriad of other maple treats attract sugar shack lovers from all over.

## Towns and festivals

On the Lanaudière plain, the pleasures of the city are never far away. With their attractive public squares lined with mature trees, **Joliette** and **L'Assomption** enrich the tourist experience through their history and culture. Founded in the early 19<sup>th</sup> century, both cities are situated along the L'Assomption River. In summer, you can enjoy a lovely canoe trip, explore the bike paths or relax at an outdoor café in the vibrant downtown areas ([lanaudiere.ca/citycentres](http://lanaudiere.ca/citycentres)). In winter, you'll want to grab your skates and head to Joliette to hit the ice on the longest river skating rink in Quebec. The **Musée d'art de Joliette**, Quebec's largest regional art museum, is another must-visit destination. This region is also home to a variety of music festivals, both contemporary (**Festival de Lanaudière**, **Festival Blues de Joliette**) and folkloric (**Festival Mémoire et Racines**).

## THE FOOTHILLS

### Wide-open spaces among mountains and valleys

Between the tranquil flat plain and the towering Laurentians lie the green foothills. This region serves, in many ways, as a gateway to rest and relaxation for vacationers looking to escape the bustle of daily life. The foothills are best explored at a leisurely pace. Come breathe the fresh air and revel in the larger-than-life scenery as you head out on a thrilling adventure. This land of wide-open spaces offers endless possibilities, with tourist activities concentrated primarily around four main towns: **Saint-Calixte**, **Saint-Jean-de-Matha**, **Saint-Gabriel-de-Brandon** (Lac Maskinongé) and **Rawdon**, which many adopt as their home base before setting off to explore. Anything is possible from any of these places: in summer, you can golf, canoe/kayak, swim, relax on a beach or try an aerial adventure course; come winter you can enjoy snowshoeing and dogsledding. With Lanaudière's 2,500 km of groomed trails, Saint-Gabriel-de-Brandon is the cradle of snowmobiling in Quebec. Treat yourself to a delicious gourmet treat at **Terre des Bisons** (Rawdon) – well worth the trip if only to say hello to Buffy the domesticated bison. For a day of relaxation, check out the superb spas in Rawdon and **Mandeville**. The more daring can get their thrills in Saint-Calixte at **45 Degrés Nord**, where some 5 million square feet of space is dedicated to adventure and extreme courses. In summer, the slides and inflatable games at **Atlantide** waterpark make for great family fun. Exhausted from all your gallivanting? Stay overnight in the welcoming and comfortable **Auberge de la Montagne Coupée** (Saint-Jean-de-Matha).

Parc des Cascades

"Rich in history,  
the region is also a feast  
for the senses"

### For the love of lakes and history

History buffs will love the picturesque heritage tours in the area known as Brandon, as well as the charming villages of Mandeville (a picnic in the Chutes du Calvaire Regional Park is a must), **Saint-Didace** (visit the **Jardins du Grand-Portage**), **Saint-Norbert** (famous singer/songwriter Jean-Pierre Ferland's haven of peace) and **Saint-Cléophas-de-Brandon** (you'll love its heritage homes dotted along the main rural road). Located on the shores of **Lac Maskinongé**, just an hour from Montreal, Saint-Gabriel-de-Brandon attracts many vacationers, water sport enthusiasts and foodies of all kinds.

Chalets Natur Eau

Be sure to try **Vignoble Saint-Gabriel's** organic wines and the quails, guinea fowl, goose and duck at **Lanaudière's farms**. Top off your gourmet tour at **Chèverrie Barbe-Bouc** before visiting **L'Arbre et la Rivière** pottery workshop, where you'll find beautiful handmade stoneware and porcelain items with a wood-ash glaze finish.

Feel like hiking in the mountains and valleys? Visit **Sainte-Mélanie**, **Saint-Jean-de-Matha** or **Sainte-Béatrix**, three gateways to the beautiful **Chutes Monte-à-Peine-et-des-Dalles Regional Park**, with its waterfalls and magnificent canyon. It's no wonder so many artists come to set up their workshops in this inspirational setting. Renowned for its antiques and crafts, the village of **Sainte-Marcelline-de-Kildare**, alongside the Blanche River, is a must. For 18 years, its **Festival des Artisans** (in September) attracts thousands of art lovers and fall colour enthusiasts. A visit to the foothills is a beautiful and inspiring way to lose track of time!

## THE MOUNTAINS AND LAKES

### High up in the wilderness

Where the far north of Lanaudière meets the Laurentian mountain range is a part of our region that could truly be called “authentic.” It stretches many kilometres from **Saint-Côme** and **Saint-Donat** (in the west) to **Saint-Zénon** and **Saint-Michel-des-Saints** (in the east), up to **Manawan**'s aboriginal lands. With its regional parks, wildlife reserves, outfitters, lakes and rivers, waterfalls and cascades, this unique region of mountains and unspoiled wilderness beckons you to come explore, slowly and respectfully. Whether your visit takes you from east to west, north to south or vice-versa, the mountains offer a multitude of sporting activities, including fishing, canoeing/kayaking and hiking in summer; hunting, mountain biking

Ski Mont-Garceau

and ATV touring amid a colourful fall setting; and snowshoeing, dogsledding, snowmobiling and skiing come winter.

### So much action in the West!

In the western part of Matawinie are nestled four outstanding ski centres: **Ski Mont-Garceau** (facing the majestic Lac Archambault), **Val Saint-Côme ski resort**, **Ski Mont La Réserve** and **Ski Montcalm**. Nearby, the charming villages of Saint-Donat and Saint-Côme serve as entry points into the internationally-renowned **Mont-Tremblant National Park**, two thirds of which fall within Lanaudière's borders. A vacationer's paradise, Saint-Donat has the typical picturesque charm of mountain villages, with two immense lakes nearby (**Lac Archambault** and **Lac Ouareau**). Outdoor enthusiasts will enjoy, among other areas, the **Ouareau Forest Regional Park** – a true rock climber's

Château Roger L'Érmitte

Parc national du Mont-Tremblant

playground (certification card and equipment required)! In summer, a hike along the *Sentier des Murmures* will take you to a lovely suspension bridge over the Ouareau River. In winter, you can stay overnight in a hut after a day of snowshoeing or cross-country skiing. Fall paints a fiery landscape on the *Massif* and *Des Contreforts* trails. In Saint-Côme, the **Chute-à-Bull Regional Park** offers walkers and snowshoers 6 km of trails on the *National Trail*. Whatever the season, come admire the majestic 18 m high waterfall in all its splendour. Looking for original accommodations? Experience sleeping in a cabin up in the trees at **Kabania** (Notre-Dame-de-la-Merci) or **Chez Roger l'Ermité** (Saint-Côme).

"Welcome to a paradise for snowmobiling, dogsledding and hiking!"

### Eastern bound!

From **Sainte-Émélie-de-l'Énergie** (glacial valley bathed by the Noire River) and Saint-Zénon (one of Quebec's major highlights) to Saint-Michel-des-Saints, Haute-Matawinie's landscape brings a complete change of scene and adventure. Nestled in this vast wilderness are some ten **outfitters** open year-round. Vacationers seeking an authentic forest getaway come here to enjoy cottage life, the serenity of the sandy beaches or the abundance of fish in the lakes, making for great fishing. Whether you're looking to explore, enjoy a romantic getaway or have fun in the wild with the family, the unique setting of the northeastern summits offers a truly authentic nature experience. Explore the hiking and snowshoeing trails in the **Sept-Chutes Regional Park** (and its breathtaking views of Lac Rémi) from Mont Barrière's maple grove to Mont Brassard's 650 m high rocky ridges. You don't need to be an expert to enjoy yourself here. Try the *Voile de*

Parc régional des Sept-Chutes

Parc régional de la chute à Bull

*la Mariée* trail – a 2 km trip offering easy access to a 30 m (200 feet) high waterfall. Don't forget to pack a picnic!

On your way north, plan a stop at the Saint-Zénon scenic lookout point to admire the stunning view of *Coulée des Nymphes*; this is a true hiker's paradise. In winter, Saint-Zénon transforms itself into an ice village on the frozen Lac Saint-Louis, much to the delight of ice fishing enthusiasts. At the northern tip of highway 131, two hours from Montreal, are Saint-Michel-de-Saints and its many kilometres of shores (including the must-see beach at Pointe-Fine) along the renowned Lac Taureau. Take the heritage tour (1870) in the heart of the village or explore the 95 square km of Lac Taureau, virtually an inland sea dotted with 45 unspoiled islands. The **Lac Taureau Regional Park** offers water sports and touring of all kinds on land and water, as well as rustic camping sites. Looking for some comfort? Stay at the charming 4-star **Auberge du Lac Taureau**, one of Lanaudière's most famous lodges.

## Kwe Kwe Manawan

Why not try an out-of-the-ordinary experience by immersing yourself in a welcoming aboriginal culture rich in knowledge and traditions? Starting from Saint-Michel-des-Saints, head north on a logging road until you reach the picturesque village of Manawan. What you'll find at the end of the road is well worth the detour! The Atikamekw reserve is bathed by several lakes and rivers. Learn, discuss, explore... you can expect all this from a visit with these friendly aboriginal people, who will be pleased to offer you a warm *Kwe Kwe* (hello in Atikamekw).

“Proud of their ancestral heritage, the Atikamekw people work to preserve the natural beauty of their land, which is considered sacred..”

Tourist activities are concentrated around

**Lac Kempt**: in winter, snowmobiling remains the main attraction, whereas in summer, visitors come to familiarize themselves with the culture by taking part in a number of cultural immersion activities that are often highly artistic. In late July, you won't want to miss the annual pow-wow, a music and dance festival where you can learn about aboriginal traditions. Treat yourself to an overnight stay in the new and comfortable **Auberge Manawan**; experience sleeping on a carpet of fir branches in a teepee at the **traditional Matakan site**; or, for a romantic getaway, try **île de l'Amour**. Whatever you decide, all options are a good way to participate in fair trade tourism and give back to the community.

## Bars, casinos and purchasing alcohol

You must be at least 18 years old to enter bars, pubs, nightclubs and casinos, as well as to purchase or consume alcohol (be prepared to produce ID if asked). Wines and spirits are sold through the *Société des alcools du Québec (SAQ)*, the provincial liquor board. Beer is available at grocery and convenience stores,

## Currency exchange

There are numerous exchange offices in Québec's main urban centres. Airports also offer exchange services. Some businesses accept American money, but tend to offer a less competitive rate than the exchange offices.

## Hospitals

**Centre hospitalier régional de Lanaudière**  
1000, boul. Sainte-Anne, Saint-Charles-Borromée  
450 759-8222

450 654-7525 • 1 888 654-7525

## Driving in Québec

Since Canada uses the metric system, speed limits and distances are posted in kilometres per hour (km/h) and gasoline is sold by the litre (l).

## Cell phones

Use of a hand-held cell phone that does not have a "hands-free" function is prohibited while driving.

## Winter tires

From December 15 to March 15, all taxis and passenger vehicles registered in Québec must be equipped with winter tires. This requirement also applies to rental passenger vehicles in Québec.

## Road conditions

For information on road conditions or other aspects of trip-planning, call 511 or 1 888 355-0511, or visit [quebec511.info](http://quebec511.info).

## Tourist routes and trails

The official tourist routes are clearly marked with blue signs. They are designed to highlight the attractions of the regions through which they pass, and to enable visitors to discover the extent of Québec's natural and cultural treasures. [quebecoriginal.com/tourist-routes](http://quebecoriginal.com/tourist-routes)

## Tourist signage

In Québec, tourist regions and directions to services, attractions and activities are indicated by blue road signs. For more information, visit [panneaubleu.com](http://panneaubleu.com) and [tourisme.gouv.qc.ca/signalisation](http://tourisme.gouv.qc.ca/signalisation) (in French only).

## Village-relais accredited services

If you feel like taking a break or require assistance while on the road, look for the Village-relais signs. These point to towns that, together with local businesses, offer a range of accredited services and a safe and pleasant place to stop. [villages-relais.qc.ca](http://villages-relais.qc.ca)

## Voltage

Quebec's electric current is 110 volts/60 cycles, as it is throughout North America. Since the outlets cannot accommodate European plugs, you will need to bring or buy an adaptor.

## Tipping

Tipping is customary in restaurants, bars and taxis. The amount, which is not included in the bill, is generally equivalent to 15% of the total bill before taxes. For quick tip calculations, Québécois normally add up both taxes. Tipping bellhops or porters is at your discretion (generally, \$1 per bag).

## Taxes

Québec has two taxes: the 5% federal goods and services tax (GST), and the 9.975% Québec sales tax (QST). An accommodation tax of "\$3 per night", also applies in Lanaudière.
